Democratic Club

The organization of the Davis-Bryan-Tucker club, of the Courthouse precinct, was completed at a meeting held in the Courthouse last Saturday night. Although the inclement weather prevented a large attendance the Democrats present were enthusiastic in their discussion of the purposes of the Club and the prospects of victory in November.

Senator S. L. Ferguson was elected Chairman of the club; the other officers are: Vice-Presidents: Miss M. Anna Jones, Mrs. Lottie Bledsoe, J. W. Cawthorn, W. E. Dickerson and L. Crawley; Secretary-Treasurer, A. Wagner; Sergeant-at-arms, J. A. Bingham.

The committees elected were: committee on transfers, voting by mail; canvassing committee, to get vote out; committee on transportation.

The club will meet at the courthouse each Saturday evening at 7:30 o'clock until after election.

The following resolution was offered by C. W. Smith and was unanimously adopted:

Whereas, the great Democratic Party of these United States has wisely chosen as the standard bearer of that party for President that brilliant, able and distinguished lawyer and statesman, Hon John W. Davis, of West Virginia, and as its candidate for Vice President, that able, practical and statuary statesman and Democrat, Charles W. Bryan, and,

Whereas, Believing that in these two distinguished gentlemen of high moral, christian character, the Democratic party has nominees worthy of any office in the gift of the American people, and who we believe, if elected, will assert every effort to give the nation efficient, progressive and honest government, faithfully and efficiently administered for the interest of no particular class or section, but with equal justice and rights to

Therefore, Be it Resolved, by the Davis-Bryan Tucker Club of Courthouse Precinct, Appomattox County, Virginia, that it does hereby enthusiastically endorse the candidacies of Hon. John W. Davis for President and Charles W. Bryan for Vice-President, and pledges its best efforts to do everything possible to poll the full Democratic vote and promote Democratic success in the election on November 4th.

And be it further resolved: That we heartily commend the Democratic nominee and recommend to the voters of the Tenth Congressional District, for Congress, recognizing in him a man of ability and high moral and christian character, and likewise pledge him our active and loyal support for re election on November 4th.

Dark Growers

Members of the Tobacco Growers Co-operative Association in the dark fire belt of Virginia are to receive a payment of about one and a quarter million dollars on the 1923 crop on or before November 15, according to an announcement from association headquarters. This payment will represent thirty per cent of the banker's valuation on this crop, which is the largest percentage as a second payment received by members in any belt, on the 1923 crop.

The association has paid on the 1923 crop of dark-fired tobacco an average cash advance of approximately $8.50 per hundred pounds. This average is higher than the average price received by the Virginia producers of dark tobacco for any five years, excepting 1918 and 1919, the two years of war prices.

Members of the association in the dark-fired belt hold the record for deliveries of the largest percentage of the crop of any belt in the association, the dark-fired members having delivered more than half of the entire crop in this belt during the past two years.

American People

"Franklin at the Court of Louis XVI" was painted expressly for The Companion by Andre Castaigne, dean of the world's illustrators. The text that accompanies the unusually important picture reads as follows:

Franklin in France, wearing his plain homespun suit with quiet dignity in the presence of an elegant and luxury - loving Court, is more than a figure in diplomatic history; he is the embodiment of a great national ideal — that wisdom, integrity and self-respect shall stand unabashed even in the presence of kings.

Since both the interest of the subject and the political faith that the painting so strickly expresses are not local or sectional, but belong alike to the whole Nation, the Publishers of the Companion have most happily dedicated this outstanding Milestone Cover to the American People

CHEVROLET

Without counting the daily utility of a Chevrolet for going back and forth to work, shopping or taking the children to school, etc., its value in saving doctor's bills, broadening your mental horizon and keeping the whole family physically fit, amounts to more than the cost of the car and its upkeep. It is more of an essential to the modern family than anything else but a home. Chevrolet meets the requirements of the modern family because it is economical to buy and maintain, because of its excellent appearance and riding comfort, because it can be depended upon, and because it is so easy to drive that any member of the family can use it.

Last Thursday while out hunting Dan'l Hubbard accidently blew the top of Julius N. Bowers' head off. The boy was an orphan from North Carolina where his remains were shipped Saturday for burial, and he was in his 15th year. Officers deemed an inquest unnecessary. Mr. Hubbard was arrested however by game warden Connor and Justice Steele fined him.

Mrs. Ella Swan has been sick for several days.

Some of the farmers here are enjoying the benefits of the lime bin at Pamplin in the way of bringing back a load of lime, when otherwise they would drive back with an empty wagon, thereby saving about $3 per ton for time of hauling.

There will be no preaching at the Baptist Church at this place on the morning of the second Sunday in October, as the pastor will be away on his vacation, but it has been announced that the protracted services will begin that Sunday night in the Presbyterian church here, conducted by the Rev. HIXBURG

Bascomb Price had the misfortune to get one of his arms broken while out hunting one night last week. Master French Glenn who was thrown from a horse several weeks ago, sustaining a broken arm is getting along nicely.

Now some folks will say that a woman will tell all she knows but my hat is off to our Pamplin correspondent for she refrained from making any mention of the Farmville officers making a special trip here which greatly interested several parties.

Well people don't fail to read the local columns of our paper and it was surprising to note the curiosity in speculating on the marriage spoken of in our last item. Now that Mr. Henry Wheeler and Mrs. Puggleston of Greenbay were married on last Saturday. Congratulation is now in order.

It is our sad duty to make mention of the vacant pew in Olive Branch church caused by the sudden death of Mrs. Cabell Moore, who was one of the most regular and consecrated attendants of that congregation.

Well as I hear of so many snake stories I will speak of only a few. A busy house keeper of Buckingham was placing some sewing on her machine and was in the act of placing her feet on the treadle when she heard a peculiar noise and supposing that beeds and buttons were spilling from the bottom of a drawer she looked down only in time to escape being bitten by a large rattler and how the snake got in the room is a mystery. William Swan killed a large copper head. Mrs. G. A. Parks has shot four large snakes this summer, Mrs. Nick Burrell killed an unusually large snake and Edgar Covington killed what we term to be the boss of them all being over 6 feet in length and Mr. Covington states it was as large around as a rubber bootleg, but the most startling reports come from Bakers Mountain, Mr. Charlie Rossers' old home, where the Watkins development Company is doing right much blasting and the snakes are leaving the ground and taking refuge in trees so much so that people have to be very careful in gathering fruit.

Miss Minnie Drinkard, of Bluefield, who has been visiting her sisters Mrs. Alice Harwood and Miss Mattie Drinkard, is now on a visit to relatives in Richmond.

The writer was recently in Prince Edward county and was surprised to see so much late tobacco, some of which had not been topped and I also saw one of the best plant beds one generally sees about the middle of May and the owner said "If I could only keep that over I would have early plants for next time.

Distinguished Guest

Mr. Harmsworth is in the United States on a brief vacation after an inspection of the Harmsworth paper mills in Newfoundland. He very strikingly resembles his uncle, Lord Northcliffe, who was publisher of the London Times and one of the most famous newspaper men of all time.

Mr. Harmsworth's sister married Terry C. Durham. brother of Walter E. Durham, the host of the visiting publisher.—News Leader

Mrs. Katie W. Harvey

Mrs. Katie W. Harvey passed away at the home of her only child, Mrs. "Jack" Tibbs, Monday morning at the age of 94 years. Mrs. Harvey had been confined to her bed for twenty months.

Mrs. Harvey, before her marriage, was Miss Katie Hancock. In 1850 she was married to Charles Craddock, she was left a widow, then she married Mr. Reynolds; and then to Jessie Harvey, and in 1884 she was left a widow again. She leaves one child, Mrs. "Jack" Tibbs, of this place; one brother, M. B. Hancock, of Bluefield, W. Va., one sister, Mrs. N. E. Musgrove, of Red House; seventeen grandchildren, 42 great grandchildren and seven great great grandchildren.

She was laid to rest at Union Hill Baptist Church, September 16, Mrs. Harvey has been a member of that church for 78 years.

The pallbearers were W. R., B. J., A. E. D., and E. H. Tibbs, and C. L. Cathrown, all grandsons. Flower bearers were Mrs. J. E. Collins, Mrs. J. L. Holt, Mrs. W. L. Saunders, Miss Edna Tibbs, Mrs. J. E. Wood, Mrs. W. H. Childress, Mrs. J. S. Harris, Mrs. Edna Hendricks, Miss Lizzie Hancock, Mrs J. W. Cavis, Miss Cornie Baskesdale. Rev. H. L. Thomas preached the funeral

For All the Family

"WE have used Black-Draught ever since we have had a family and that was shortly after 1874," says Mr. E. A. Branstetter, of Stetson, Me. "It is my first remedy when any of us gets sick. We are a Black-Draught family for liver and stomach complaints.

"When I get sluggish and don't feel so good, I take Black-Draught—and you have to show me that there is a better medicine in Missouri. I think it is fine for indigestion or for headache. It is a splendid family medicine. My wife uses it for any stomach ailment, indigestion and biliousness. We never let the house be without it if I know it. We also give it to the children for children's complaints, colds or fever."
